## SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that hysteria, dizziness, illness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The little white lines are the nerves which convey the nerve force from the brain to every part of the body, just as the telegraph wires convey the electric current to every station, large or small. Ordinary physicians fail to regard this fact. Instead of treating the nerve system, they treat the part affected.

Franklin Miles, M. D., L. B., the highly celebrated specialist and author of "Nerve and Nerve Diseases," has since realized the truth of the first statement, and his Restorative Nerve is prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy amply prove. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. Restorative Nerve positively contains no opiates or dangerous drugs.

## THE SILVER PLATFORM.

The silver wing of the Republic  
can State Convention unanimously  
adopted the following platform:

The convention endorses and  
adopts the platform of the Repub-  
lican State Convention, held at Va-  
city on the 30 of April last, as fol-  
lows:

Resolved, That we condemn the  
Republican party of the Eastern  
states and the administration of  
President Harrison, insofar as they  
have failed to accomplish the com-  
plete remonetization of silver, and  
to enact laws providing for the  
free and unrestricted coinage of  
that metal.

Resolved, That the restoration  
of silver to the place it occupied  
previous to the passage of the  
Mint Act of 1873, is essential to  
the prosperity of the country and  
paramount to all other political  
considerations. The legislation  
which robbed silver of its money  
functions and denied to the owner  
of silver bullion the right to have  
the same coined into money upon  
the same terms and conditions  
which apply to the coinage of gold,  
reduced the money of ultimate re-  
demption or payment, about one-  
half, and enabled the owners of  
money and obligations payable in  
money to monopolize the coin of  
the commercial world.

Resolved, That the people of  
Nevada are in favor of the coin-  
age of silver upon the same con-  
ditions which apply to the coinage  
of gold, and they are opposed to  
elevating any person to office who  
is not known to be unequivocally  
in favor of opening the Mints of  
the United States to the free and  
unlimited coinage of silver.

In view of the unsatisfactory at-  
titude of President Harrison to the  
paramount issue of the remonet-  
ization of silver, this convention  
will make no nominations for Presi-  
dential electors and the State Cen-  
tral Committee to be appointed by  
this Convention shall have no au-  
thority to put in nomination elec-  
tors.

The Convention cordially en-  
dorses the vigorous efforts of our  
Senators and Representatives to  
secure the free and unlimited coin-  
age of silver, and the educational  
work that they have done in pre-  
serving the true issue between the  
money powers and the bondhold-  
ers and laborers and producers of  
wealth.

And we favor the continuation  
of agitation and contention for the  
free and unlimited coinage of sil-  
ver at the present ratio of 16 to 1,  
for their own benefit and for the  
benefit of the people at large -  
miners, farmers, laborers and me-  
chanics.

The citizens of Nevada, repre-  
sentatives of the various silver  
leagues, irrespective of past party  
affiliations, in convention assembled,  
do set forth the following decla-  
ration of principles:

First. We demand the full re-  
monetization of silver and the free  
and unlimited coinage thereof, at  
the present ratio of 16 to 1.

Second. We are heartily and  
unshakably opposed to the Nation-  
al Republican and Democratic par-  
ties on the question of the free  
coinage of silver and we denounce  
the action of their recent national  
conventions as inimical to the ma-  
terial interests of the people of the  
United States, and especially to  
those of Nevada and all the other  
mining states and territories, and  
we therefore repudiate the nomi-  
nees of their convention.

Third. We pledge the nominees  
of this convention for Presidential  
electors to support no man for  
President or Vice-President of the  
United States who is not unequiv-  
ocally in favor of free coinage as  
defined by this convention. We  
renew to the silver leagues of  
Nevada, in Convention assembled,  
the right of directing said Presi-  
dential electors for whom to cast  
their votes, should contingencies  
require. GEO. S. NIXON,  
Chairman State Committee of Sil-  
ver party.

H. P. FLANNERY, Secretary.
